TILE STYLE

Bid goodbye to germs in your homes, courtesy Johnson tiles' patented germ-free technology. The brand's Spanish Care series of germ-free wall tiles are available in 60x40cm and 40x40 cm, with floor tiles available in 60x60cms. Their superpower lies in the fact that they inhibit the growth of bacteria and fungi on the tile surface. And of course, they look great, so you needn't make any compromises on style.
