Jimmy Mistry Launches Della Leaders Club, World's First Business Platform, Helping Leaders Evolve from a Life of Success to A Life of Significance

“After designing for some of the world’s most successful entrepreneurs, corporate professionals, celebrities and socialites over the last 25 years, I observed that they were hungry to learn and stay ahead of the curve,” said Mistry, Founder and Chairman of Della Leaders Club.

This translated to their need to contribute and give back to society, which resonated with his own record of social entrepreneurship. This Global Community is made up of members who are all keen to share their experiences, knowledge, and domain expertise to enrich the lives of members and create transformative leaders. Della Leaders Club defines a transformative leader as someone who will Re-invigorate a company, Re-invent an industry and Re-boot society.
