**Ranthambhore National Park** 

Instant rejuvenation while travelling amidst the beautiful forests of [@ranthambhorepark](#)

Unfortunately didn't get the opportunity to see a Tiger this visit but I certainly look forward to coming back here again. The location, the people & the safari as a whole was wonderful. Have you visited ?

Don't miss the sweet white spotted deer we named Stella!

The founder of the Della Leaders Club and Della Group believes in skipping the gym occasionally and doing intense laps in his private pool. This also adds a feeling of calm and centres him. He has also stressed on having a recovery day after six days of working out as one of the most important aspects to fitness.
